

DIRECT ACTION AFFINITY GROUP TRAINING

and pre-DSEi briefing!

Sunday 28 August @ LARC

62 Fieldgate St, Whitechapel, London

(Nearest tubes: Whitechapel, Aldgate East)

A day of discussion, skill sharing and hands-on workshops with an emphasis on affinity group actions. The morning will focus on the **basics of affinity group actions**; the how, why, what, where and when. Find out how to form a small group and work together to take effective action. The afternoon will be an opportunity to explore some **more specific tactics and how they have been used against DSEi**, the world's largest arms fair.

Information about DSEi 2005 will also be available to help you plan your action. Come and share skills with others: learn to hit them where it hurts!

There may be police photographers outside the venue: please do not be intimidated. You might choose to wear a scarf in this warm weather.
